

CURRICULUM VITAE

NAME –

SRIKANTESWARA VISWANATH

POSITION –

Professor & Chair
Department of Anatomical Sciences
American University of Antigua
College of Medicine
University Park
Jabberwock Beach Road, Coolidge
St. George's, Antigua, West Indies

EDUCATION –

Graduate:

Mysore Medical College	MBBS
University of Mysore	1987-1993
Mysore, Karnataka, India	

Surgery Resident:

1993-1996

Diplomate in National Boards
Department of Surgery
Basappa Memorial Hospital
Mysore

Postgraduate:

Mysore Medical College	MS (Master of Surgery) Clinical Anatomy
University of Mysore	1996-1999

Mysore, Karnataka, India

Senior Residency (Anatomy & Medical Genetics):1999-2001
JIMPER (Jawaharlal Nehru Institute of Medical Education and Research)
Pondicherry – India

Assistant/Associate Professor Department of Anatomy Spartan Health Sciences University St. Lucia	2001-2007
--	-----------

Associate/Full time Professor Department of Anatomy American University of Antigua Antigua	2007 - 2015
--	-------------

Professor Department of Clinical Medicine American University of Antigua Antigua	2015-2021
--	-----------

Professor and Chair Department of Anatomy American University of Antigua Antigua	2022 - Present
--	----------------

TRAINING & CERTIFICATIONS –

Instructor and Advanced Instructor HarvardSimCenter for Medical Simulation Boston – USA	2015 & 2016
--	-------------

MS Medical Simulation Drexel University Philadelphia USA	2016
--	------

PROFESSIONAL SOCIETIES –

Anatomical Society of India – Permanent Member since 2000

Anatomical Society of Karnataka – Executive Member since 2000

American Association of Anatomists – Regular Member since 2001

American Association of Clinical Anatomists – Member since 2012

THE SOCIETY FOR SIMULATION IN HEALTHCARE – MEMBER SINCE 2013

LICENSURES –

Senior Resident in Anatomy - JIMPER
Directorate of Health & Family Welfare
Government of India 2000

Master of Surgery (Anatomy) – KMC35876
Karnataka State Medical Council
Chapter of Indian Medical Council 1999

Medical Licensure: – KMC35876
Karnataka State Medical Council
Chapter – Indian Medical Council 1993

ADMINISTRATIVE POSITIONS @ AMERICAN UNIVERSITY OF ANTIGUA:

Chair, Department of Anatomy	2022 - Present
Professional Standards Committee	2019 – Present
Theme Coordinator & Medical Simulations Committee	2010 – Present
ICM Semester1 Course Director	2016 – 2021
Chair – Intersession Enhancement Program	2015-2017
Appeals Committee – Examination and Results	2007 – 2011
Anatomy Lab – Director	2008 – 2015

HONORS & AWARDS@ AUA:

Clinical Science Teaching Excellence Award - 2016

Introduction to Clinical Medicine Faculty Award Year1 – 2016 & 2017

Introduction to Clinical Medicine Faculty Award Year2 – 2016 & 2017

OUT REACH ACTIVITIES:

Program Director – AMSA – Community Screening for Diabetes, Hypertension, Glaucoma and Breast Examination

Program Coordinator – AIDS Prevention Unit, South Sector, St. Lucia

Interviewed – St. Lucia TV/ Radio – Community Screening

Heart Beat – SGA news letter – Columnist

AUA Coordinator – for Glaucoma awareness

Event organizer @ AUA - Seminar on Glaucoma

Contributions to Anatomical Sciences:

Anatomy Lab Director @ AUA: 2008-2015

Old Campus: Introduced Wet Lab assessment

New Campus: Planning and acquisition of Anatomy Models and Plastinated Specimens: With guidance of the then Chair – Dr. Alan Hycyshyn.

Streamlined Lab assessments: Students use iPad and take their exams on Blackboard

Introduced Digital imaging resources to the Dry Lab section

Faculty and Students team in identifying and presenting papers @ conferences with anomalies in our dissected cadavers

NBME - Exam structure and MCQ's structuring workshops, all @ AUA

Peer – Reviewed articles/manuscripts Journals:

- International Journal of Biomedical Science (IJBS)
- The Argentine Journal of Clinical Anatomy
- Archives of Medicine and Health sciences

PhD Evaluation & Examination External Faculty Member: Anatomy and Neurosciences – India

International Anatomy E-CME: 29th July 2021: Guest Speaker – Medical Simulation in Anatomy

Current Chair 2022 – Department of Anatomy

Coordinating two programs – Induction of Ophthalmoscope and Otoscope skills and Ultrasound Simulation Labs into Anatomy Lab Curriculum.

Contributions to Clinical Skills and Simulation @ AUA:

Under the guidance of Ex Dean Dr. Nagra, established the present Skills and Simulation Lab – 2012

Introduced Simulation Curriculum with guidance from the Ex-ICM Chair Dr. Jenifer Cannon – 2013

Appointed as Theme Director: Implementation of Skills and Simulation Programs – 2013

Established Harvey Syllabus (for Sem2 and Sem4) into Simulations Curriculum – 2014

Conducted workshop and training programs for Simulation Faculty – Ongoing

AUA Coordinator –Accreditation of SSH (Society for Simulation in Healthcare).

Currently, Faculty and Theme Coordinator for Simulations

Contributions to Clinical Medicine Department @ AUA:

Served as ICM Course Director for Semester1 2015-2022

ICM Department Exam Center Coordinator with Dr. Mysore Ex-Chair ICM

Introduced System Based Cases for Semester 1

Faculty development workshops and training sessions for ICM1 Faculty and Adjunct Faculty

As chair for the year 24-25:

Escape rooms: For Global Health on Hypertension

Isprings activity and CVS Lab anatomy and ultrasound creation

Introduced 2nd Sim Case for Semester 5 BSIS

Lab activity creation: Organ system for anatomy Labs guided faculty

Guided research:

Assessing Ultrasound Simulation's Role in CVS Anatomy learning at a Caribbean

Medical College' at Interdisciplinary Conference on Healthcare and Technical Research
(organized by Manipal Academy of Higher Education- MAHE)- ICHTR-2024, Mangalore 18-
19th Dec 2024.

AI generated active online modules for anatomy LO in construction of MCQs
